Meet Kitiya Mischo King. She's a mom with a degree in Chemistry and licenses in Cosmetology, Esthetics, and Makeup Artistry. And she's the founder of Mischo Beauty.

Unsurprisingly, she always imagined she would be a beauty innovator. And, when she was pregnant with her son, she saw the chance. In 2013, Kitiya took the challenge to revolutionize a highly toxic beauty segment: nail lacquer. And so, Mischo Beauty was born.

Mischo Beauty is a pioneer of clean beauty, offering award-winning, richly hued and high-performance clean cosmetics.

We are so proud of the intelligent, graceful, and inspiring young woman you are becoming. May this new chapter bring you joy, confidence, and endless opportunities.

We will always be here cheering you on.

With love, your friends and family.

Aliyah,

Watching you grow into the amazing young woman you are today has been one of the greatest joys of our lives. You've become such a loving daughter, a caring sister, the sweetest auntie and you bring so much light and love to our family every single day.

We've always been your biggest cheerleaders. Mommy and Daddy has been there for every sport, every academic challenge, and let's be honest dad would've happily been your personal cheer coach if he could and you know your mom has always been your lawyer, ready to have your back, speak up for you, and protect you no matter what.

As you step into this new chapter, know that we will always be here, cheering you on louder than anyone, loving you endlessly, and proud of the incredible young woman you've become.

Aliyah,

Even though we may be four years apart, it honestly feels like you're my twin. From day one, you've been my partner in laughter, my little confidant, and someone I can always count on. Watching you grow into this beautiful, smart, and strong young woman has been amazing, and I feel so lucky to get to guide you through womanhood and college life.

You inspire me with your kindness, your spirit, and the way you light up every room you walk into. I can't wait to see all the incredible things you'll accomplish, and I'm so proud to call you my sister.

Love always,
Alana

Watching you grow from a sweet little girl into the poised, intelligent, and beautiful young woman you are today has been one of our greatest blessings.

You have become the best auntie, cousin, sister, daughter, and granddaughter we could ever ask for. Your kindness, strength, and warm spirit touch everyone around you, and we are so proud of the way you love and lead within our family.

As you step into this new chapter, know that we are all standing behind you with endless pride and support. Keep shining bright, keep dreaming big, and keep being the incredible young woman we've always known you to be.

DEBUTANTE LAUREN TANDY

We are so very proud of you and the young lady you have grown to be. We pray you will continue to grow and inspire others with your beautiful smile and incredible caring spirit. We pray that your future will be filled with lots of love, happiness and great adventures. Love you more than you can say,
Mom and Dad

Congratulations

Lauren,

There are moments in life when a heart feels so full that words almost seem too small. This is one of those moments for me. I want you to know how incredibly proud I am of the young lady you have become. Watching you grow, has been one of the greatest joys of my life. You carry yourself with such beauty, both inside and out, and it fills me with joy to see the woman you are becoming.

I love you unconditionally. That love is not based on achievements, titles, or milestones, though you have so many to celebrate. It is rooted in who you are at your core. You are thoughtful. You are determined. You are compassionate. Family is so very important to me, and I am so glad you are mine. The memories we have made together, the laughter, the conversations, the hugs are treasures I carry in my heart, and what comforts me most is knowing that we will continue building those memories for years to come.

As you step into this special debutant moment, I cannot help but think about your grandfather. You were truly his heart. He adored you in a way that was so pure and so deep. I know without a doubt that he would have loved to be here for your debut. He would be sitting tall, smiling from ear to ear, and yes shedding a few tears of joy, just as I am. His pride in you would have overflowed, just like mine certainly does."

With all my heart, Grandma

Lauren, as you embark upon your life's work and dreams, always remember you are surrounded by those who love and support you. Keep aiming for excellence because nothing is out of your reach.

I love you, Auntie Stacy

Lauren, I am so proud of everything that you have accomplished and look forward to seeing what you will do next.
